

War of Ages

ETERNAL

OVERVIEW

For the fourth full length album "Eternal", War Of Ages once again decided to team up with Daniel Castleman and Tim Lambesis at Lambesis Studios where they recorded their previous album "Arise And Conquer". "Eternal" is the next step in both songwriting and production, and with all War Of Ages albums, will be backed up by solid worldwide touring. With combined catalog sales of over 60,000 and touring history all over the USA and Europe, War Of Ages are poised and ready to take on the world with the release of "Eternal".
