

# IMMORTAL SOUL

## IV: THE REQUIEM FOR THE ART OF DEATH

### OVERVIEW:

Finland's Immortal Souls are back with their 4th full length album "IV: The Requiem For The Art Of Death". Like the albums that came before it, "The Requiem..." is best described as their own genre of Winter Metal. A must have metal album for fans of Dark Tranquility, Soilwork and In Flames.

### SELLING POINTS:

- Follow up album to 2007's "Wintereich"
- Fourth highly anticipated full length of Winter Metal
- Existing fan base in the US since previous 2 albums were also released by Facedown Records.

### ADVERTISING / MARKETING

- Aggressive print ad campaign to include Outburn, Hails + Horns, HM and more...
- Thorough pre-release promotion through postcards, online graphics, and viral networking.
- Online features being scheduled with key metal websites
- Strong promotion from the band and label on Facebook and Twitter with give-a-ways, contests and non-stop news blasts.
- Contests with key online partners scheduled around release date.
- Mass email + text blasts to Facedown Records email and text message subscription lists.
