

War of Ages

— SUPREME CHAOS —

OVERVIEW:

War Of Ages' sixth full length album "Supreme Chaos" builds on the bands extensive catalog (with combined sales over 100,000 albums) and non-stop touring in the US and overseas. "Supreme Chaos" sees the band joined by guitarist Jack Daniels (Hope For The Dying) which has brought even more texture, dynamic and shredding than ever before. The band teamed up with Josh Barber to track the album and Will Putney to mix and master and the end result is one of the strongest War Of Ages releases in their career. The band will be headlining a full US tour this summer including stops at festivals like Sonshine, Creation, Life Fest and more. They will also be touring in Europe with Shadows Fall, Unearth & The Acacia Strain.
