

IMMORTAL SOULS

"ICE UPON THE NIGHT"

BIO / DESCRIPTION:

Cold winds are blowing and snow is falling down from the frostpainted northern sky when you listen to IMMORTAL SOULS. That's the reason why the music of this Finnish masterpiece is sometimes described as wintermetal. From the beginning of their existence IMMORTAL SOULS has been known as one of the best kept secrets from the underground of the cold north. They play fast paced, aggressive melodic metal and are compared to bands such as DARK TRANQUILITY, SOILWORK, ARCH ENEMY and IN FLAMES. A U.S. tour is already in the works for summer of 2004.
