

Alove For Enemies

The Harvest

DESCRIPTION: After the combined success of their Strike First Records debut CDep "Broken Pledge" and non-stop touring, Alove For Enemies was quickly signed to Facedown Records. Their debut full length "The Harvest" was recorded at Trax East Studios and showcases the bands heavy sound with melodic undertones that they are known for. A strong developing artist strategy is being created for this record that includes it's \$9.98 retail and a relentless touring schedule in 2005.

SELLING POINTS:

- Highly anticipated full length after their succesful "Broken Pledge" CDep which sold 5,000 copies.
- Recorded at Trax East Studios (God Forbid, Hatebreed, Twelve Tribes, Snapcase).
- Developing artist retail price of only \$9.98.
- Eye catching art work and "O Card" packaging by Dave Quiggle.
- Ads running in AP, Revolver, AMP, Under The Volcano and many more.
